PROFESSIONAL EXPERIENCE

2024 - PRESENT

SOFTWARE ENGINEER
SHIFTA

Software engineer experienced in .NET, SQL and React technologies.

2022 - 2024

SOFTWARE DEVELOPER
Juan Toselli Intl Tours

Software developer with a .NET focus. My responsibilities have included:
· Leading projects for the integration of supplier Web Services (SOAP/Rest) into the company's system.
· Creating and maintaining APIs within a microservices architecture.
· Designing and creating SQL databases.
· Crafting scripts for scheduled tasks using JavaScript and MongoDB.
· Implementing payment platforms, e.g. Binance.
· Collaborating on front-end projects using Angular.

2019

QA INTERNSHIP
Globant

Completed an internship supporting the QA and testing team by performing various simple tasks to aid their daily operations.

EDUCATION

2024 - PRESENT

DIPLOMA IN DEVOPS
National University of Cordoba, Cordoba

The diploma addresses the comprehensive development of software, including FrontEnd, BackEnd, databases, security, and operation. It covers key concepts in the ICT industry, such as continuous integration and continuous delivery using Docker and Kubernetes.

2020 - 2022

TECHNICAL DEGREE IN PROGRAMMING
National Technological University, Cordoba

Completed by acquiring knowledge in the fundamental pillars of SQL database management, object-oriented programming with C# and Java, basic principles of web programming (using Bootstrap) and understanding of company accounting and administrative systems.

2008 - 2019

ELEMENTARY/HIGH SCHOOL
San Jose School, Cordoba
